Livia Drusilla

Senior Product Manager

livia@example.com+39 06 555 0142Rome, Italylinkedin.com/in/livia

PROFILE

Product manager with 8 years building B2B SaaS. I turn messy customer problems into roadmaps engineers love and metrics executives trust.

EXPERIENCE

Senior Product Manager Aqua Systems 2021 – Present

- Led a team of 9 to launch a self-serve onboarding flow, lifting activation 34%
- Grew enterprise ARR from $2.1M to $5.8M by reprioritising the roadmap around retention
- Introduced weekly A/B testing cadence, running 40+ experiments in a year

Product Manager Via Appia Logistics 2017 – 2021

- Built route-planning features used by 1,200 drivers daily
- Reduced support tickets 22% through in-app guidance

EDUCATION

MSc Management Engineering Sapienza University of Rome 2017
Cum laude

SKILLS

Product strategy · roadmapping · user research · SQL · A/B testing · Agile · stakeholder management · Figma · data analysis

MY PLEDGE

Within 90 days I will ship one measurable improvement to your activation funnel.
